

We would like to invite you to attend a Talk:

Topic: AI and Machine Learning, Hype cycle and Application in the Workplace

By: Emeritus Professor Lance Chun Che Fung,
Murdoch University, Western Australia

Friday 10 August, 2018, 1:30 P.M. - 3:30 P.M.

Training room No.4/1, on 4th floor. SIT Building. KMUTT

The talk is largely based on reports from Gartner Research which provides insights and current status of AI and ML and in particular with respect to industry and work places.

If you are interested in these talks, please reserve a seat
