Dear Assoc. Prof. Dr. Sakarindr Bhumiratana,

We are pleased to invite you, on behalf of ASAIHL and our host Naresuan University, to attend the Conference on "Better Life Expectancy through Education, Research, and Innovation" in Phitsanulok during 13-15 December 2017.

As a usual practice, the selection of the country papers and the speakers will be undertaken by the Chairman of your National Council or the ASAIHL Board members. Please submit nominations for your country report to the Chairman of your National Council or the National Representative on the Board at your earliest convenience.

The closing date for abstract submission is 15 September 2017 and the full paper submission is 15 October 2017.

Even though ASAIHL is the only association that has no policy to charge registration fee to attend our conferences, seminars or workshop since 1956, the 115th Board meeting in Indonesia set a limit of three participants per one member institution for attending ASAIHL Conference free of charge and additional participants must pay a registration fee.

Should you require any other information, please contact the following:

ASAIHL Conference Secretariat: asaihl 2017 @ nu.ac.th

We look forward to welcoming you in Phitsanulok in December 2017.

Sincerely yours,

Dr. Ninnat Olanvoravuth  
Secretary-General
